Casing tooth

WS39

A replaceable casing tooth with a 109.5 × 68 × 41.5 mm catalogue envelope. Review the WS39 tooth and its named holder together, including the cutting profile, seat and retention arrangement.

Published reference specifications

Tooth height	109.5 mm
Tooth width	68 mm
Tooth thickness	41.5 mm
WS39 holder: H × W × T	106.8 × 94 × 31.3 mm

Before selecting a replacement

Select the WS39 tooth and its named holder together. Similar dimensions do not establish interchangeability; check the seat, pin engagement and installed projection.

Nominal catalogue references. The agreed order drawing defines the supplied configuration and fit. Product rendering for identification; not an engineering drawing.
